

PARTICIPATING RESTAURANTS

Visit any of the participating restaurants during the month of November and order their featured Taste of the Islands menu item. For every featured item purchased, a portion of the sale is donated to support the Clinic for the Rehabilitation of Wildlife (CROW)! Ask one of the staff members to stamp or sign on their listing to keep track of the 'Tastes' you've tried!

Each Saturday in November our CROW CRAWLS will feature restaurants in different areas of the islands. The restaurants for that Saturday will have either the CROW tent with Animal Ambassadors & Taste T-shirts for sale or a Sponsor tent with giveaways outside from 11:30am-3:30pm! Come hungry and make a day of it!
